

DECEPTIVE SERPENTS

I drank away the pain
Year after year
As self-medication
Bitter and resentful

Faults and failings
Hopelessly misdirected
Much wrangling
And horrible choices

No time to heal
Jumping ahead first
Into unhealthy relationship
Increasingly sick

Profound prayers of desperation
Will someone hear?
Vehemently turning a blind eye
Will someone help?

I drank away the pain
Bitter and resentful
I drank away the pain
Bitter and resentful
No time to heal
No time to heal
Increasingly sick
